Garrett Classic Turbo

Lancia Delta HF Integrale 16V and 16V Evo 1

Part Number: 917375-5005W

Garrett | Classic Turbo incorporates modern engineering with direct-fit installation for the iconic Lancia Delta 2.0 16V HF Integrale and EVO 1. The modern journal bearing rotating group utilizes a 360-degree thrust bearing for improved reliability. This turbocharger includes a gasket kit for a direct-fit installation.

FEATURES

- 360-degree thrust bearing to improve reliability and durability of the rotor system during extreme operating conditions
- Separate Wastegate actuator bracket mounted to the compressor housing
- Robust turbine housing, engineered using of thermal simulation to avoid cracks and other failures
- Includes gasket kit 917890-0001 (Turbine inlet, oil inlet, oil outlet)
- Direct-fit installation

Application List

Model	Year	Garrett DSR PN	Garrett PN	OE PN
Lancia Delta HF Integrale 16V Evo 1	1991-1992	917375-5005W	465553-5001S	7662974
				46234219
Lancia Delta HF Integrale 16V	1989-1991			7662974
